ARTIST OF THE WEEK—WEEK 7

This week in art, Miss Azzopardi’s students have finished some portrait work and completed a weaving task. Well done Chloe. Chloe’s weaving was fantastic. She tried hard and stayed focused during the lesson.

TRANSMITION TIMES

Our transition team of Kaylene, Tracy and Merrilyn continue to put on a fantastic presentation to our visiting pre-schoolers. This time it was Roscoe Ave who enjoyed the fun activities and Merrilyn’s story telling proved to be very popular. Great work girls—the school really appreciates the time and effort you dedicate to these days.

Our updated policies are in the office for everyone to view and are also available via the school’s website—www.georgestham-ps.vic.edu.au

Proving distance is no concern, the team travelled out to Branxholme kindergarten. Joining them were Lily, Tanisha and Zoe-Leigh who leant a helping hand.

Celia’s entertaining and enlightening view of young men and their journey to manhood is a must for any parent.

Adolescent boys - seem to disappear into another world where they barely communicate, and where fast cars, alcohol and drugs are constant temptations.

Will they survive and become good men? How can we help them through this difficult time?
