## GEORGE STREET PRIMARY SCHOOL POLICY

### Rationale:

- Homework benefits students by complementing classroom learning, fostering good study habits and providing an opportunity for students to be responsible for their own learning.

### Aims:

- To support and extend classroom learning.
- To develop positive study habits.
- To develop a responsibility for self-learning.

### Implementation:

- These Homework Guidelines have been developed by the Department with the assistance of parents, teachers and students in Victorian primary and secondary schools. The Guidelines provide a framework to help schools engage their communities when reviewing their existing homework policies.
- The school's homework policy will be distributed to parents at the commencement of each school year.
- All students will be allocated homework diaries.
- Classroom teachers will set daily homework appropriate to each child's skill level and age.
- Homework activities should be interesting, challenging and where appropriate, open-ended.
- Each set task must be purposeful, meaningful and relevant to the current classroom curriculum. Drill and practice activities are to be avoided.
- All homework activities must be assessed with feedback and support provided by teachers.
- It is not acceptable for teachers to assign unfinished classroom activities as homework tasks, these are to be finished at school during lunch and recess times.

### **Early Years (Prep – Year 4)**

Homework will consist mainly of:

- reading activities to, with and by parents.
- simple extension tasks associated with classroom activities.
- gathering of additional information or materials
- Homework will not exceed 30 minutes per day and will not be set on weekends or during vacation periods.
- Homework should not be seen as a chore

- Homework enables the extension of class work by practising skills or gathering of extra information or materials

### **Middle Years (Years 5 – 6)**

Homework will consist mainly of:

- independent reading on a daily basis, extensions to class work, projects and assignments, essays and research
- Homework will generally not exceed 45 minutes per day, must be coordinated between teachers to avoid excessive workload, and may be set during weekends and school vacations.
