

## What's happening at GSPS.

### Mrs Lee's class

My students have carried out a playtime waste survey to determine how much rubbish is in the playground after morning snack. They have graphed the results and discussed several ways of reducing the rubbish.

They have :

- \* trialled a wrapper free lunch box
- \* made a "chook bucket" to collect food scraps. These food scraps are then given to some local chickens.
- \* designed some "persuasive" posters to encourage all students to put their rubbish in the bin
- \* And finally, they have had some creative fun, creating jewellery from rubbish

Demyx, Jaden and Tiffany display their posters, which are now on show throughout the school, highlighting the message to:

KEEP  
OUR  
SCHOOL  
CLEAN.  
PUT  
RUBBISH  
IN  
THE  
BIN.

### Would you like Katy Perry to visit our school?

Do you know any young fans who'd love Katy to come to our school? All we need to do to enter this competition is to post a video demonstrating why our school is special, unique and inspirational. Katy will visit the winning school herself!

Not only will Katy visit our school, but Telstra Thanks will award us with a \$10,000 grant for our performing arts program. There are even two \$5,000 grants for the runner-up schools.

Each school can submit multiple entries, so get creative to increase our opportunities to win this fabulous prize. Entries will be judged on creativity.

What make a school inspirational?

It could be a great teacher or just an amazing school of young talented people. How to enter.

Recruit a staff member as the authorised School Representative for our entry. (You need school's permission to create our video entry).

Remember anyone can be involved - students, teachers, even parents! A Participant Consent Form must be signed by everyone appearing in the video. Anyone under 18, must have their form signed by a parent or guardian.

Get our School Representative to submit our video on behalf of the school.

They will need to:

- \* upload it to a Vimeo account
- \* Paste the Vimeo link into the entry form at [Telstra.com/katyperry](http://Telstra.com/katyperry)
- \* complete the entry form and submit it

7 TO 8 YEAR OLD CHILDREN ONLY
