

What's happening at GSPS.

ARTIST OF THE WEEK - WEEK 2

This week students created a Japanese blossom piece of art work. They used different materials to apply the paint to create their masterpiece. They used cardboard for the branch and gladwrap

to smear their blobs of paint for the blossom. Students mixed pink, red and white to create their desired blossom colour.

Our Artist of the Week is Kaden—always working hard. Well done.

Mrs Mibus's class

Zeek creating his branch!

Zoe-Leigh using gladwrap to smudge the blossom.

DJ, Demyx, H a y l e y , Saydez and Korshous making decorations to go in the stadium for our So You Think You Can Dance school performance.

Would you like Katy Perry to visit our school?

Do you know any young fans who'd love Katy to come to our school? All we need to do to enter this competition is to post a video demonstrating why our school is special, unique and inspirational. Katy will visit the winning school herself!

Not only will Katy visit our school, but Telstra Thanks will award us with a \$10,000 grant for our performing arts program. There are even two \$5,000 grants for the runner-up schools.

Each school can submit multiple entries, so get creative to increase our opportunities to win this fabulous prize. Entries will be judged on creativity.

What make a school inspirational?

It could be a great teacher or just an amazing school of young talented people. How to enter.

Recruit a staff member as the authorised School Representative for our entry. (You need school's permission to create our video entry).

Remember anyone can be involved - students, teachers , even parents! A Participant Consent Form must be signed by everyone appearing in the video. Anyone under 18, must have their form signed by a parent or guardian.

Get our School Representative to submit our video on behalf of the school.

They will need to:

- * upload it to a Vimeo account
- * Paste the Vimeo link into the entry form at [Telstra.com/katyperry](https://telstra.com/katyperry)
- * complete the entry form and submit it
