Work as One as one!

## News from the Principal

**George Street  
Primary School**  
HAMILTON

### WE'VE THANK YOU

As Term 3 comes to an end I'd like to take this opportunity to thank our staff who have continued to show their dedication and commitment for what has been an extremely busy term. Not only do they take on extra duties outside their main role, but they do this willingly to ensure our school continues on its path of success.

### PEEP BEHIND

This week has been an exciting week with lots of visitors. On Tuesday we had our special group families from Emerald Primary come visit the school for a special morning tea. As many of you are aware our group students visit Emerald once a fortnight to visit in the library, therefore each time our group does have their families to visit.

### KINDER VISITS

We also hosted Mitchell Park and Bruce Avenue kinder students this week as part of the transition process into schools. We have been fortunate in building close relationships with the kinders and our group does look forward to these visits. Please, if you have any families that are considering leaving school for work, please ask them to pick up enrollment forms ASAP as we are currently building classes for next year.

### SWIMMING & CAMP

Just a reminder that swimming starts next term. Notices went out last week, so please ensure you return them to school promptly, along with payment prior to the program commencing. If you are in receipt of the camps and recreation fund then you can have this bill offset the swimming costs. Also please remember to keep your camp payments up to date, statements will be forwarded as next week.

### CHILD SAFETY

A reminder to all our families that we are a CHILD SAFE school. Therefore we do not tolerate abuse, neglect or harm to any child. If you suspect that a child is in danger or under threat then it is critical that you notify either the police, the Department of Human Services or both from with a teacher.

### WELCOMING VISITS

Over Wednesday we will be hosting a number of visiting principals as they conduct focused learning visits across our domain. These visits form part of an integral part of our feedback process to enable for us to improve our practice.

### APPENDIX

A reminder that school is compulsory. Therefore please ensure your child attends on the day and at school every day. If genuinely unwell, please provide a medical certificate so that we can place this on file. I have noticed that some few students continuously taking time off.

A quick reminder that the last day of term is Friday 24th June. Students finish at 3 o'clock on the last day of each term, except Term 4 where they finish just after lunch.

Ms Walker
