SCOPE

This policy relates to complaints brought by students, parents, carers, or members of our school community and applies to all matters relating to our school.

In some limited instances, we may need to refer a complainant to another policy or area if there are different processes in place to manage the issue including:

- Complaints and concerns relating to fraud and corruption will be managed in accordance with the department's [Fraud and Corruption Policy](#)
- Criminal matters will be referred to Victorian Police
- Legal claims will be referred to the Department's Legal Division
- Complaints and concerns relating to child abuse will be managed in accordance with our Child Safety Responding and Reporting Obligations Policy and Procedures available on our website (www.georgestham-ps.vic.edu.au)

POLICY

George Street Primary School welcomes feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- be considerate of each other's views and respect each other's role

- be focused on resolution of the complaint, with the interests of the student involved at the centre
- act in good faith and cooperation
- behave with respect and courtesy
- respect the privacy and confidentiality of those involved, as appropriate
- operate within and seek reasonable resolutions that comply with any applicable legislation and Department policy.
- recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

Complaints and concerns process for students

George Street Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. George Street Primary school encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with a classroom teacher, Wellbeing staff, Koorie Education Support Officer, or education support officer. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Other ways you can raise a concern or complaint with us include:

- talking to a member of the student representative council about your concern and any suggestions you have for resolving it
- participating in our Attitudes to School Survey (for Grades 4-6)
- participating in our student leadership forums held every term
- writing a note for our anonymous student suggestions box near classroom messenger boxes are kept
- speak to the principal

Complaints and concerns process for parents, carers and community members

Preparation for raising a concern or complaint

George Street Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and George Street Primary School policies and procedures

Support person

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name, contact details, and their relationship to you.

Raising a concern

George Street Primary School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your child's classroom teacher. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the principal.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through the front office with Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Information gathering:** Depending on the issues raised in the complaint, the Principal may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
- 3. Response:** Where possible, a resolution meeting will be arranged with the Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.
- 4. Timelines:** George Street Primary School will acknowledge receipt of your complaint as soon as possible and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, George Street Primary School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, George Street Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g. vexatious complaints) will be managed differently to the procedures in this policy.

Resolution

Where appropriate, George Street Primary School may seek to resolve a complaint by:

- a change of policy, procedure or practice if it was found to be acting out of policy or guidelines
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.
- An apology if the school has made an error of judgement
- Request you attend a resolution meeting with members of staff

In some circumstances, George Street Primary School may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the South West Region by contacting on: *1300 333 232 Email: swvr@education.vic.gov.au*.

George Street Primary School may also refer a complaint to The Department (South West Region) if we believe that we have done all we can to address the complaint.
